

ORNAMENTAL TURNERS GROUP OF AUSTRALIA. BBQ LUNCH.

Wednesday, 13th November, 2024.

Looked like rain, started to drizzle, then gave up...once again the direct line to the weather gods was successful and perfect weather was the result!

A good run to Luddenham Showground was enjoyed by this humble scribe, a clear run of some 38 minutes...but let's not mention the return journey via Camden Valley Way....some drunken, unlicensed driver in a stolen vehicle decided to run into another vehicle, thereby causing at least a one hour delay! Result: add it up yourself!

Nevertheless another very enjoyable outing...a wood turning exhibition (with some free samples at the finish), followed by a splendid BBQ, with Tony, the Ford man, being our resident cook on the day.

We could actually watch the art of wood turning exhibited by a group of retired wood turners using lathes designed by themselves...interesting stuff indeed!

The showground itself hosts regular markets and a real country show every quarter.... gorgeous stalls, authentic country music and great food of all tastes available from breakfast onwards!

The next one is Sunday 8th December 2024 to Saturday 14th December 2024...remember this is a quarterly event....might see you there?

Some of our cars on the day.

Some genuine classics here!

One of Mark's.

One of Lofty's.

The Major's.

Ed's next to Andyroo's ute.

All in all 30 'odd' members were present and as usual a good time was certainly had by all....as a fitting conclusion to the day Dennis thanked all our turners for their efforts, following up with the presentation of our certificate of appreciation.

Once again, well done to Mark and all involved.

ED.
