

My Car Club Donation to Penrith's Ross Hutchison Foundation

Last Wednesday (11th December), members travelled to Penrith Paceway to support President, Dennis Dinse, in donating \$1,000 to this local charity.

Based in Penrith, the Foundation provides support to people in need, either directly or through other local organisations. A particular focus has been assisting the homeless, elderly or those fleeing domestic violence. Initiated by Ross Hutchison in 2010, the Foundation is now also supported by CEO George Mavros and a team of volunteers.

Our Club's cheque follows from donations by members at recent Club functions (Christmas party; Melbourne Cup get-together), topped up by monies from Club funds.

Pictures of the presentation were taken on Wednesday at Penrith Paceway and show President Dennis presenting our cheque to Ross Hutchison and Foundation CEO George Mavros, with our Wednesday Carpaccino members looking on. Also pictured are President Dennis and Events Director Mark with the autographed NRL State of Origin jersey which has been donated to assist the Foundation's fundraising.

After the presentation, lunch was enjoyed at the Paceway's Dining Room.
